

Monterey Bay Aquarium®

Special Access Group Tour We'll make sure your group gets the VIP treatment from the moment your guests arrive. Our expert guides will lead your group through the Aquarium to explore our most popular exhibits and then take them to exclusive areas behind the scenes to see how the magic is created. Come hear our favorite animal stories and find out how we care for more than 35,000 plants and animals. Learn how to care for a jelly, what it takes to make a home for a shark, and how we grow a living kelp forest.
