

Monterey Bay Aquarium Deep Sea Poster

Monterey Bay Aquarium Deep Sea "I Spy" Activity

Below is a list of some of the animals and plants that appear on our *Deep Sea* poster designed by Larry Duke. Be a Deep Sea Explorer and see how many creatures you can spot or identify. You can use the online field guide on our web site to help identify many of them.

The poster key on page 3 shows all the creatures in the poster. You will find lots more information about the deep sea including animal videos, a virtual dive interactive and deep sea animal information on our web site: http://www.mbayaq.org/efc/efc_mbh/dsc.asp
