

MONTEREY BAY AQUARIUM

Welcome to Feathered Friends! Schedule of Events Saturday, November 19, and Sunday, November 20

Program	Time	Location
Penguin Feeding In this live program aimed at our younger visitors, guests can ask our staff questions as they feed and care for our African blackfooted penguin colony.	10:30, 3:00	Splash Zone Penguin Exhibit
Meet a Penguin Watch one of our penguins make the walk down the red carpet. You'll also meet our penguinologists, who'll answer questions about these cool birds. One lucky guest will get a personal encounter with the star of the show.	11:00	Kelp Forest
Seabird Feeding The open ocean provides a rich habitat for birds. Come learn about our horned and tufted puffins, pigeon guillemots and common murrens during this feeding program.	11:30	The Open Sea Seabird Exhibit
Children's Face Painting Your face is the canvas!	12:00 to 3:00	Ocean's Edge Wing, near end of Skywalk
Penguin Enrichment Our penguins love to play. Be there when the fun begins!	12:00	Splash Zone Penguin Exhibit
Real-Cost Cafe Join us at the Real-Cost Cafe, where our "waitstaff" will be serving up a heaping plate of sustainable seafood education!	12:00	Real-Cost Cafe
Behind-the-Scenes Babies Meet the staff who raised the Aquarium's first penguin chicks, born early this year. Join in a Q & A about what happened behind the scenes.	12:30	Auditorium
Banana Slug String Band Join the award-winning Banana Slug String Band for some toe-tappin' songs about caring for the Earth.	1:00 to 2:00 (Saturday) 2:00 to 3:00 (Sunday)	Great Tide Pool Deck
Family Craft Room Get creative in our fun Family Craft Room.	12:00 to 4:00	Discovery Lab Classrooms
Wildlife Associates Program: Feathered Friends In this special presentation, you'll meet some rescued birds—a golden eagle and a white-tailed kite. Learn about the unique features of these amazing birds.	1:00	Auditorium

MONTEREY BAY AQUARIUM

Albatross Encounter Don't miss a chance to get an up-close look at Makana, our beautiful Laysan albatross. Learn all about these amazing birds and how to help save them from the threat of plastic pollution.	1:30	Auditorium
Wildlife Associates Program: Meet a Kestrel The American kestrel is a pint-sized predator with personality to spare. Join us for this casual encounter.	1:45	Entry to The Open Sea
Beaks, Wings, Feathers! Have some silly fun during this interactive, family dress-up program.	2:00, 3:30	Splash Zone Penguin Exhibit
Seabird Enrichment What do these special birds do for fun? Be there for their playtime!	2:00	The Open Sea Seabird Exhibit
Q & A with an Aviculturist Meet the staff who care for the birds here at the Aquarium.	2:30	Splash Zone Penguin Exhibit
