Specialty & Summer Night Sleepovers

P L A N N I N G G U I D E

The Monterey Bay Aquarium
is a place of learning, fun
and discovery! Thank you
for choosing to join us
for a Sleepover.

To make sure that all guests have a great experience, please read the following guidelines, complete the required forms and help prepare your party for a safe and successful event.

Before You Arrive

Our Specialty Sleepovers and Summer Night Sleepovers are an enhanced experience because they are paired with other Aquarium events that offer special programming, and food and beverages for purchase. These Sleepovers also have reduced capacity, which ensures guests are able to select their own sleeping spaces, instead of having them assigned.

The Specialty Sleepover events run from January to June and September to November from **7:00 p.m. to 8:30 a.m.** These Sleepovers are paired with our themed Member Night events, and are great for families and friends.

The Summer Night Sleepover events run from July to August from **6:00 p.m. to 8:30 a.m.** These Sleepovers are paired with our Evenings by the Bay events, which offer live music during extended Aquarium hours. These Sleepovers are great for families and friends, or a variety of groups looking for summer fun.

Behavior Contract (One per Party)

Please review the following Behavior Contract with your entire party. Sign at the bottom to indicate that you agree to enforce these behaviors.

Bring the signed copy with you at check-in to the Aquarium Sleepover event.

The Monterey Bay Aquarium is a place of learning, fun and discovery! To ensure that all guests have a safe and successful time at the Aquarium, it is important to abide by these behavior expectations:

- 1. Stay with your group.** Youths (5-17 years old) must stay with an adult chaperone (≥ 21 years old) at all times.
- 2. Be courteous and respectful of other guests and staff, walking slowly and talking quietly through the Aquarium.**
- 3. Be respectful of the Aquarium building and exhibits.** Please use books or clipboards as writing surfaces instead of writing on walls or exhibit labels. Do not climb on exhibits or railings.
- 4. Help care for the animals.** When permitted, touch animals gently. Please avoid tapping on windows. Do not feed birds on outside decks.
- 5. Food, drinks and gum are not permitted, except for water.** Consume all served food in the designated snack and breakfast areas. Do not take snacks into the exhibit areas.
- 6. Be respectful of our Aquarium neighbors.** If groups are permitted to visit merchants on Cannery Row before or after the Sleepover, please make sure they are accompanied by an adult and demonstrate appropriate behavior.
- 7. You must pick up overnight gear before securing a sleeping space.** In the interest of fairness and safety for all our guests, please do not send individuals ahead to reserve spaces; we will ask individuals who do so to leave the area and wait for the rest of their group.
- 8. Remain in the Aquarium during the Sleepover.** Please park in a location that will not require you to move your vehicle during the event. Security will lock all outside doors once check-in is complete. Leaving the Sleepover is highly discouraged. If you need to leave for an emergency, please notify the Information Desk first.

I have shared the behavior expectations with my party and accept responsibility for their conduct in the Monterey Bay Aquarium. I understand that my party will be asked to leave, without refund, if they exhibit disruptive behavior to which a reasonable person would consider as being likely to substantially interfere with the Sleepover event, or hinder or prevent staff members from carrying out their professional duties.
